Uniforms
Questions #1

Attention all bidders.

1. Is prevailing wage applicable to this project?
 - a. **No. “Prevailing wage is defined as construction, reconstruction, demolition, alteration, custom fabrication, or repair work.....” Uniforms do not fall in this classification.**
2. Can you please send me the bid tab from the last uniform rental bid award?
 - a. **Yes, upon request, bidders may have access.**
3. If possible, we'd like to schedule a meeting to meet with the person that handles the uniform program to take a look at the garments/pick up area. Can you please let me know who we can contact?
 - a. **That would be the Director of Operations & Maintenance.**

We look forward to getting your bid and would like to apologize for any inconvenience this error may have caused.

Sincerely,

Emmanuel Stuppard
Operations Director
